To
C. Balasundaram Ayyar Esq., B.A.
Chief Secretary to the Government
Bangalore

Sir,

With reference to your kind favour No. 13407 / G.M. 210. 17. 6. dated 2.6.1918 enclosing a list of books available for transfer to the Society's library, I have to thank you first, for the information conveyed in the letter under reference.

Secondly, I have to state in reply that the books referred to as having been set apart for us by the I.G. of Educati

have already been sent to us by this office so far back as the 15th January last. We retained half a dozen of them, and returned the rest with thanks as they were literature designed solely for the use of Elementary Schools; and this, I presume, is not the spirit of G.O. No. 6043-6/P.M. 210-17.

I invite your kind attention to the fact that the Mythic Society is devoted to research in Philosophy, Comparative Religion and History in their higher forms, and that in consequence, the aim of its Committee is to secure for its Library, Classical and standard works on these subjects, rather than School Text books and occasional pamphlets.

The Mythic Society 3

In the light of these remarks of mine, I anticipate you modifying the list in question so as to include therein the kind of literature we really stand in need of, and, in the belief, I defer taking delivery of the books from the G. R. S. Library at present intended for us.

I have the honor Sir
Your most Obed't Servant
